EXPERIENCE

- **Graphic Designer - 2017-2018**
Netdevelop
Working part-time as a graphic designer/ Wordpress web designer makes my studies more practical, since I usually implement things that I learned during school and vice versa. I have broad perspective on the field since I am doing branding, print design and web design.
- **Store keeper/manager - 2016-2017**
Bickley+ Mitchell Amsterdam
I was in charge of opening closing and managing a pop up store on one of the busiest streets of Amsterdam. I was also in charge of the visual aspect of the store.
- **Waiter - 2016- summer**
Avocado
At Avocado Restaurant served clients in Hungarian, Romanian, English and German. Excelled in fast-paced food industry. Praised for my positive attitude, work ethic and great communication skills.
- **Festival personel - 2016- summer**
Kasound Tingu Mures and Cluj
As I was part of multiple student organizations, I worked at multiple festivals like Peninsula, Double Rise etc. mostly behind the bar, but also helped with some organization and promoting.

EDUCATION

- **School of Computing- 2018**
Edinburgh Napier University
Here as an Erasmus student for half a year studying 3D, Web technologies and Design Thinking and Doing.
- **Multimedia Design and Communication - 2017-now**
Københavns Erhvervsakademi
Studying web design, graphic design, communications and business in Copenhagen, Denmark.
